Sir,

Subject - Re. the hire of carts and bullocks for removal of street rubbish in the Chikmagalur Town Municipality

...

With reference to your letter No L 3962 dated 25th October 1944 on the above subject, I have the honour to forward herewith the entire file of records ending with letter No O C 222/43-44 dated 16-1-45 of the President, Town Municipal Council, Chikmagalur and to state that the rate per cart per day, during the years 1942-1943 and 1943-44 was Rs 1-8-0 and Rs 2-0-0 respectively A sum of Rs 2,000/- has been provided for in the sanctioned budget for the current year, to meet the expenditure in this behalf and the excess expenditure is proposed to be met out of the sale proceeds of the compost manure which is expected to fetch Rs 1,500/- to Rs 2,000/-

2 It is reported that it is not possible to secure carts with bullocks for less than Rs 2-8-0 per day, on account of the increased cost of hay and grain and in view of the depletion of bullocks due to recent epidemics The Sanitary Inspector of the Municipality has undergone training in the preparation of compost manure and the street rubbish is being converted into compost manure and then sold at Rs 2/- to Rs 2-8-0 per ton No amount was realised during the previous years by the sale of street rubbish Small amounts were however realised by the disposal of the manure at the shandy, slaughter-house and the cattle pound

In the foregoing circumstances, I request that the teacher offered by one A G Rama Naika may be kindly sanctioned.

I have the honour to be,
Sir,
Your most obedient servant,
